Dear Sir/Madam:

Your application and technical documentation have been successfully submitted to Innovation, Science and Economic Development Canada (ISED).

The application number 011068284-001 for the Ummah Society and call sign CHXU-FM have been assigned to your request.

It should also be noted that ISED will not issue a letter of approval (LOA) until such time as your obligations under CPC 2-0-03: "Radiocommunication and Broadcasting Antenna Systems" have been met and verified by ISED staff.

If your application requires a decision from the Canadian Radio-television and Telecommunications Commission (CRTC):

- It is your responsibility to submit this application to the CRTC within 30 days of receiving this email.
  - Otherwise, ISED will consider this application closed and will take no further action.
- No processing priority will be given to this application before it is submitted to the CRTC.

If you have any questions, please contact us at [broadcasting-radiodiffusion@ised-isde.gc.ca](mailto:broadcasting-radiodiffusion@ised-isde.gc.ca).

Sincerely,  
Christina Mut
